MEMORANDUM FOR: DEPUTY DIRECTOR OF TRAINING (SPECIAL)

SUBJECT: Weekly Activity Report #33
13-20 August 1952

1. Progress Report - Old Projects

[redacted] has returned from leave and is busily assembling reading materials for the O/B course.

Conversations have continued [redacted] regarding the content of the CAI.

2. Items of Current Interest

Demand for the CAI is increasing. If this trend continues, a backlog will begin to build up. There are 54 requests for the next running, although the present classroom is strained to accommodate 50.

Several meetings were held with the interested parties concerning the influx of enlisted men in to RIT. Faced with the arrival of 30 additional men this week, it was decided that this was beyond our capability to handle, and that the acceptance of enlisted men would not be considered further until after [redacted] return from leave on 15 September. Further explanation of the problem will be made [redacted] and the training officers. The present group of enlisted men will be retained for another week.
